Liam, Chris,

At the public meeting last night we debated your generous offer to provide support in kind for the NDP development process. Whilst your offer was appreciated and was viewed in the spirit it was given – a genuine offer of help with no strings attached, we concluded that it would be inappropriate to accept it. Public perception is everything in this process and we cannot afford to be seen to be too closely associated with a single land owner or their representatives.

We have been fortunate to have been awarded a number of grants for the development process and have allocated Parish Council funds to the process.

We are still keen to work with you in the same way as we are with all other land owners in the Village.

Regards

Cllr Adrian Dale
Member of NDP Working Party
Chairman of the Parish Council
