Date: 29 October 2013 08:41:52

Thanks for the notice Liam. You are of course free to canvas opinions in which ever way you choose. I would only ask that your flyers make it clear that they are been sent on behalf of WPG and have not been issued by the Parish Council or its NDP Working Party. You should not use the crest of the Parish Council on the flyers, nor the Quality Parish Council logo both of which can only be used when issued for and on behalf of the Council.

If you want to use the Village Hall for the consultation event, please consult the calendar <http://villagehall.chelveston.org.uk/calendar> Wednesday 20th and Friday 22nd are free in the evenings.

Regards

Cllr Adrian Dale

Dear Adrian,

Thank you for your email below.

In preparation for the submission at the end of November we are planning on going to host a low-key public consultation event at a local venue TBC mid November.

Flyers will be delivered to every house in the Parish next week by Northampton Marketing.

We will then use the results of this event to affect our submission.

We trust the above is to your approval and we look forward to seeing you all again shortly.

Kind regards,

Liam Russell RIBA MIOd

Subject: NDP-0128 - Support for NDP Working Party

Liam, Chris, -

At the public meeting last night we debated your generous offer to provide support in kind for the NDP development process. Whilst your offer was appreciated and was viewed in the spirit it was given – a genuine offer of help with no strings attached, we concluded that it would be inappropriate to accept it. Public perception is everything in this process and we cannot afford to be seen to be too closely associated with a single land owner or their representatives.

We have been fortunate to have been awarded a number of grants for the development process and have allocated Parish Council funds to the process.

We are still keen to work with you in the same way as we are with all other land owners in the Village.

Regards
