---

Hello Councillor Dale,

We met at the East Northamptonshire Council's Neighbourhood Plan Forum and discussed the census changes in Chelveston – I said I'd have a look into the comparisons between 2001 and 2011 and get back to you.

Sorry it's taken a while, but I've had a look into it, and this is where the discrepancy pops up, so it does look like you were right in terms of the American population. It's not a perfect comparison as unfortunately in a bid to improve the census each time, they become a little less comparable!

<b>2001</b>	<b>2011</b>
Overall population = 601	Overall population = 566
Born in UK = 456	Born in UK = 543
Born in Ireland = 0	Born in Ireland = 1
Born in rest of Europe = 9	Born in rest of Europe = 6
Born in Africa = 0	Born in Africa = 4
Born in the Middle East & Asia = 0	Born in the Middle East & Asia = 3
Born in the Americas & the Caribbean = 136	Born in the Americas & the Caribbean = 9

I hope that sounds logical and explains the difference?

Kind regards

Emma
